The logo for 'The Working Centre' is presented in a highly stylized, three-dimensional font. The text is arranged in three lines: 'The' on the top line, 'Working' in the middle, and 'Centre' on the bottom. Each letter is filled with a white-to-black gradient and features a thick white outline. The font has a rounded, bubbly appearance with a slight shadow effect, giving it a sense of depth. The entire logo is set against a solid black rectangular background.
